Celebrating educators dedicated to our tourism & hospitality students

At the 25th Salute to Excellence Awards, the Queensland Tourism Industry Council is recognising outstanding teachers and trainers who excel in educating students in the fields of cookery, hospitality, or tourism.

Bringing together dedicated teachers and trainers from across Queensland, the Salute to Excellence Awards celebrate educators who are committed to providing secondary students with outstanding experiences and support through VETiS, or school-based traineeships and apprenticeships.

With fantastic prizes on offer and the opportunity to demonstrate the commitment of your school or registered training organisation to our future workforce and the chance to showcase the importance of VET to students, nominate now for the 2022 Salute to Excellence *Teacher/Trainer of the Year Award!*

Nominate now for the Awards!
