Do you have a passion for cooking, tourism or hospitality?

At the 25th Salute to Excellence Awards, the Queensland Tourism Industry Council is recognising students in years 10, 11 and 12 who excel in cookery, hospitality or tourism!

Bringing together talented students from across Queensland, who are participating in VETiS, or school-based apprenticeships and traineeships, the Salute to Excellence Awards are a chance to showcase your skills, receive mentoring and support from industry leaders, and meet others who are as passionate about cookery, hospitality or tourism as you.

With fantastic prizes on offer and three students who will be recognised the best in Queensland in *Tourism*, *Cookery*, and *Food and Beverage*, the Salute to Excellence Awards are a great opportunity to build your public profile and equip yourself for the future!

Nominate now for the Awards!
