<p>ARRIVING FROM A HOTSPOT</p> <p>If you have been in a declared hotspot in the past 14 days you may travel to Queensland provided you:</p> <ul style="list-style-type: none"> • are fully vaccinated • arrive by air only • have a negative COVID-19 test taken within the 72 hours prior to arrival into Queensland • undertake 14 days home quarantine subject to conditions set by Queensland Health. <p>Otherwise, you will need to meet the relevant requirements for entry and will be required to undertake 14 days quarantine in a government-nominated facility.</p> <p>ARRIVING FROM ALL OTHER AREAS OF AUSTRALIA</p> <p>Provided you have not been in a hotspot in the last 14 days:</p> <ul style="list-style-type: none"> • No restrictions on entry to Queensland. • No quarantine required. 	<p>ARRIVING FROM A HOTSPOT</p> <p>If you have been in a declared hotspot in the past 14 days you may travel to Queensland provided you:</p> <ul style="list-style-type: none"> • are fully vaccinated • have a negative COVID-19 test taken within the 72 hours prior to arrival into Queensland. <p>You may arrive by air or road.</p> <p>There is no quarantine required if you meet these criteria.</p> <p>If you do not meet these criteria, you will need to meet the relevant requirements for entry and will be required to undertake a period of quarantine in a government-nominated facility.</p> <p>ARRIVING FROM ALL OTHER AREAS OF AUSTRALIA</p> <p>Provided you have not been in a hotspot in the last 14 days:</p> <ul style="list-style-type: none"> • No restrictions on entry to Queensland. • No quarantine required. 	<p>ARRIVING FROM ANYWHERE IN AUSTRALIA</p> <p>If you are fully vaccinated: No restrictions on entry to Queensland and no quarantine required.</p> <p>If you are not fully vaccinated: You will need to meet the relevant requirements for entry and will be required to undertake a period of quarantine.</p>

CONDITIONS – APPLY AT ALL STAGES			
<p>ALL ARRIVALS – Regardless of where you come from, must complete relevant entry declaration and abide by the public health directions in place at the time. Get tested if you have any symptoms and isolate until you receive your results.</p>	<p>ELIGIBLE QUEENSLAND POPULATION – For the purposes of vaccination coverage, the eligible Queensland population is people aged 16 and older in accordance with the Commonwealth Government's definition.</p>	<p>FULLY VACCINATED – Two weeks since your second dose of an approved COVID-19 vaccine. People who cannot be vaccinated—for example those who are not eligible due to age or have an exemption from a qualified medical practitioner—will be treated as vaccinated for the purposes of entry and quarantine requirements.</p>	<p>HOME QUARANTINE – If you cannot meet the Queensland Health home quarantine criteria, you will be required to undertake an equivalent period of quarantine in a government-nominated facility. Home quarantine undertaken in another state or territory must have been undertaken in accordance with an order issued by that state or territory. Self-imposed home quarantine will not meet the requirements for home quarantine under this plan.</p>
<p>NEGATIVE COVID-19 TEST – A COVID-19 test approved by the TGA.</p>	<p>QUARANTINE PERIODS – Quarantine periods will be determined once Australian Health Protection Principal Committee advice has been received and considered. This period may be up to 14 days.</p>	<p>EXCLUSION ZONES – Should the Chief Health Officer determine the risk posed by arrivals from an area overseas or interstate is extreme and cannot be managed within this Border Plan, additional entry and quarantine requirements may be imposed for that specific area.</p>	<p>RESTRICTIONS: from 80% additional public health restrictions will apply to unvaccinated people. Further details to be confirmed. For example, venues and events who require all patrons and staff to be vaccinated may be able to operate without public health restrictions. However, venues and events which allow unvaccinated people may continue to be subject to a range of public health restrictions such as capacity and density limits.</p>
<p>CROSS-BORDER COMMUNITIES – Special arrangements may be put in place for cross-border communities.</p>	<p>BUSINESS SUPPORT – From 80% businesses need to be aware that the Commonwealth Government has indicated that financial support will not be available in the event of restrictions or lockdowns.</p>	<p>LOCKDOWNS – In line with the National Plan to transition Australia's National COVID-19 Response, any lockdowns will be highly targeted. Areas with lower vaccination rates will be more likely to require public health restrictions and lockdowns.</p>
